

Call the Horse Lucky

Alberta Education Program of Studies: *Curriculum Connections*

English Language Arts

General Outcome 1

Students will listen, speak, read, write, view and represent to explore thoughts, ideas, feelings and experiences.

Express ideas and develop understanding

- compare new ideas, information and experiences to prior knowledge and experiences
- ask questions, paraphrase and discuss to explore ideas and understand new concepts
- share personal responses to explore and develop understanding of oral, print and other media texts

Extend understanding

- explore ways to find additional ideas and information to extend understanding

General Outcome 2

Students will listen, speak, read, write, view and represent to comprehend and respond personally and critically to oral, print and other media texts.

Use comprehension strategies

- comprehend new ideas and information by responding personally and discussing ideas with others

Construct meaning from texts

- develop own opinions based on ideas encountered in oral, print and other media texts
- identify the main events in oral, print and other media texts; explain their causes, and describe how they influence subsequent events

Appreciate the artistry of texts

- explain how language and visuals work together to communicate meaning and enhance effect encountered in oral, print and other media texts

Experience various texts

- experience oral, print and other media texts from a variety of cultural traditions and genres, such as personal narratives, plays, novels, video programs, adventure stories, folk tales, informational texts, mysteries, poetry and CDROM programs

General Outcome 3

Students will listen, speak, read, write, view and represent to manage ideas and information.

Evaluate sources

- recall important points, and make and revise predictions regarding upcoming information

Health and Life Skills

L-4.7 describe the impact of service contributions on self; e.g., increase in self-worth, confidence and understanding of others
R-4.9 assess how to act as important role models for others

Science

Attitudes

General Learner Expectations

Students will:

4–4 Demonstrate positive attitudes for the study of science and for the application of science in responsible ways.

- respect for living things and environments, and commitment for their care.
