

The Tenth Good Thing About Barney

Alberta Education Program of Studies: *Curriculum Connections*

English Language Arts

General Outcome 1

Students will listen, speak, read, write, view and represent to explore thoughts, ideas, feelings and experiences.

Express ideas and develop understanding

- connect prior knowledge and personal experiences with new ideas and information in oral, print and other media texts
- explore ideas and feelings by asking questions, talking to others and referring to oral, print and other media texts

Extend understanding

- ask questions to clarify information and ensure understanding

General Outcome 2

Students will listen, speak, read, write, view and represent to comprehend and respond personally and critically to oral, print and other media texts.

Construct meaning from texts

- make inferences about a character's actions or feelings

General Outcome 5

Students will listen, speak, read, write, view and represent to respect, support and collaborate with others.

Use language to show respect

- demonstrate respect for the ideas, abilities and language use of others

Science
