

## It's Raining Cats and Cats

Alberta Education Program of Studies: *Curriculum Connections*

### English Language Arts

#### General Outcome 1

Students will listen, speak, read, write, view and represent to explore thoughts, ideas, feelings and experiences.

#### Express ideas and develop understanding

- compare new ideas, information and experiences to prior knowledge and experiences
- ask questions, paraphrase and discuss to explore ideas and understand new concepts

#### Express ideas and develop understanding

- share personal responses to explore and develop understanding of oral, print and other media texts

#### General Outcome 2

Students will listen, speak, read, write, view and represent to comprehend and respond personally and critically to oral, print and other media texts.

#### Use prior knowledge

- use ideas and concepts, developed through personal interests, experiences and discussion, to understand new ideas and information

#### Use comprehension strategies

- comprehend new ideas and information by responding personally and discussing ideas with others

#### General Outcome 3

Students will listen, speak, read, write, view and represent to manage ideas and information.

#### Determine information needs

- ask relevant questions, and respond to questions related to particular topics

#### Share ideas and information

- communicate ideas and information in a variety of oral, print and other media texts, such as short reports, talks and posters

#### General Outcome 4

Students will listen, speak, read, write, view and represent to enhance the clarity and artistry of communication.

#### Expand knowledge of language

- use an increasing variety of words to express and extend understanding of concepts related to personal interests and topics of study

#### Present information

- present to peers ideas and information on a topic of interest, in a well-organized form

### Mathematics

6. Demonstrate an understanding of multiplication (2- or 3-digit by 1-digit) to solve problems by:

- connecting concrete representations to symbolic representations
- estimating products

## Health and Life Skills

- R-4.4 demonstrate respectful communication skills; e.g., describe behaviors that show respect for the feelings of others
