

Seven Sacred Teachings

Name: _____

Date: _____

Instructions: The Seven Sacred Teachings is a set of teachings on how people should treat others, used in some Indigenous cultures. Each of the teachings are represented by an animal, including the wolf who symbolizes humility. Using a variety of sources, research one of the other Seven Sacred Teachings and answer the following questions..

Teaching: _____

1. What is the teaching and what does it mean?

2. What animal represents the teaching?

3. Why do you think the animal is associated with the teaching?

4. What actions have you witnessed in the classroom, school or home that could demonstrate this teaching?

5. Why is this character trait important to your classroom, school and community?

6. Create an illustration that symbolizes the teaching.
